College Faculty and staff may not engage in other employment which interferes with the performance of their professional obligation. Trustees, Faculty and staff, to the extent required by law or regulation, shall disclose at minimum whether they (and their spouses and dependent children) have employment or financial interests or hold significant offices, in external organizations that may affect, or appear to affect, the discharge of professional obligations to the College.

Failure of any Board member or College employee to conform with the above policy subjects him or her to sanctions under policies of the Board of Trustees and/or the laws of the County of Sullivan and the State of New York.
